RE: 2020 Liquor License

Sir,

The following business has applied for a liquor license from the City of Ladue:

**The Pasta House Co.
8831 Ladue Road
Ladue, Mo. 63124**

The liquor license will be in the name of the business President. He is identified as:

Joseph A. Fresta

Due to the COVID-19 pandemic, Fresta was not fingerprinted and no criminal history was performed at this time. Mention is made Fresta owns several other Pasta House Companies in the area and they all sell liquor.

I see no reason not to grant the Pasta House Company a liquor license.
